

THE KIMBERLEY CRUISE

PACKING CHECKLIST

Due to the warm, tropical climate of this region, guests should pack lightweight clothing which can be layered. Wet-landings are common and pants which can be rolled up, shorts or a cotton skirt/dress are ideal. A lightweight long-sleeved shirt will help provide protection from the sun or any mosquitoes. Comfortable walking shoes and wet landing shoes such as reef walkers, Texas or old sneakers are recommended. The below packing checklist will make packing for your expedition very simple.
